

ISLAM IS TRUTH

ONE God, ONE Humanity, ONE Religion, MANY Prophets

(Peace be upon them)

"Then why are there
so many different religions?"

In The Name of Allah, The All-Merciful, The All-Compassionate

The Qur'an, in Arabic, is the exact Word of God (*Allah*) revealed to His Final Prophet, Muhammad (peace be upon him). This selection of verses is the English translation of the meaning of what Allah says in The Qur'an, His Final Revelation to mankind, about the Message of Islam taught by all Prophets. *Text in italics is added to explain the context of the verses.*

ONE God

And your God is **One** God.
There is none worthy of worship except Him,
the All-Merciful, the All-Compassionate.
[The Qur'an, Chapter 2, Verse 163]

Say: He is **Allah**, the One and Only (God);
Allah, the Eternal, Absolute (the One on whom
all depend, while He is independent of all);
He did not beget, nor was He begotten;
And there is none like unto Him.
[112:1-4]

ONE Humanity

O Mankind! *Allah* created you from a single
pair of a male and a female (**Adam and Eve**),
and made you into nations and tribes
so that you may know each other.
Surely, the most honoured of you to Allah
is the most **righteous** of you.
[49:13]

ONE Religion

The Religion and Way of Life with Allah is
Islam, that is, submission to the Will of Allah.
[3:19]

MANY Prophets

In every nation, *Allah* has raised a Messenger,
who preached the **same message**:
Worship **only** Allah, and avoid evil.
[16:36]
Allah has mentioned the stories of some
Messengers in The Qur'an, and others He has not.
[40:78]

ONE Human Family
"We are all Children of Adam.
None is superior to another
except in righteousness."
(Prophet Muhammad)

Adam to Muhammad: Just ONE Message! ISLAM - The Religion of All Prophets

All Prophets, Same Religion

Allah has ordained for you the **same** Religion -
Islam - which He had enjoined on **Noah**, and
which He has revealed to **Muhammad**, and
which He had enjoined on **Abraham**, and
Moses and **Jesus**. So uphold the Religion.
[42:13]

Abraham, Prophet of Islam

Abraham was neither a Jew nor a Christian,
but he was a strict believer in One God,
a **Muslim**, submitting to the Will of Allah,
and he did not associate partners with Allah.
[3:67]

ONE Direction: The Ka'bah

- The first House established for the worship of One God, Allah
- Built under divine command by Abraham & his son, Ishmael
- The direction for prayer, not an object of worship

Then why so many different religions?

*The One Religion from God - Islam - brought by
previous Prophets became many different religions
when it was altered with deviations & distortions.*

Divisions & Deviations

And people became **divided** even after knowledge
(from the Prophets) came to them due to selfish
envy (and transgression) between themselves ...
[42:14]

Allah tells the Prophets: "And indeed,
this Brotherhood of yours is a single Brotherhood
(sharing the same Religion), and I am your Lord.
So fear only Me." But people have **divided**
their affair (of unity) between them into sects;
each party rejoices in that (deviated belief)
which is with itself.
[23:52-53]

*Religion from God is One & the same.
Man-made religions are many & different.*

Muhammad & The Qur'an: Truth Restored ISLAM - Renewed, Complete, Perfected

Final Prophet

Muhammad is the Messenger of Allah
and the **Last** of the Prophets.
[33:40]

O Muhammad, call mankind **back to Islam** ...
Say to them: "Allah is our Lord and your Lord."
[42:15]

Islam's universal call:

Final Revelation

Allah has revealed to you, (O Muhammad),
the Book, (**The Qur'an**), setting forth the truth,
confirming the Revelations prior to it,
just as in the past, He had revealed
the Torah (to Moses), and the Gospel (to Jesus).
[3:3]

Choose Islam

Allah says: This day, I have **completed** for you
your Religion, and I have **perfected** upon you
My Blessings, and I have **chosen** for you
Islam to be the Religion and Way of Life.
[5:3]

ONE World
*Hope for Peace in the world
lies in Islam's noble call to
Equal Justice: Stand firm for
Justice for all people, rich or
poor, even if it is against your
own interests. [4:135]
No Justice, No Peace.*

Allah knows best.
