

Allah is All-Knowing.

"With Allah are the keys to the Unseen; none knows them but He. He knows whatever is on land and in the sea; and not a leaf falls without his knowledge." [6:59]

Allah Wills only "good" for His created things.

"It may well be that you dislike a thing but it is good for you, and it may well be that you like a thing but it is bad for you. Allah knows, and you do not know." [2:216]

The reply of the true Believers, when they are called to Allah and His Messenger (may Allah exalt his mention), to be judged, is: *"We hear and we obey." And they are the ones who will be successful.* [24:51]

Everything will return to Allah. **"And to Allah is the (final) destination."** [3:28]

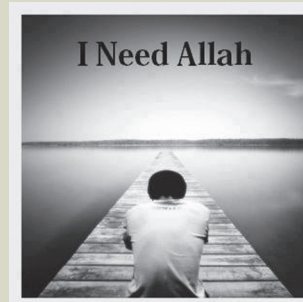

"They ask you (O Muhammad) about the (final) Hour - when will be its appointed time? Say: 'Its knowledge is only with my Lord (alone).'" [7:187]

It is beyond us to know why Allah created. We need a *motive* for doing. Allah doesn't need to have one. Allah created *because* He is The Creator. Nothing more can be said.

"He can't be questioned for what He does but they (who attribute falsehood to Allah) will be questioned." [21:23]

Allah created us for a purpose:
"I didn't create the jinn and mankind except to worship Me." [51:56]

Allah is not in need of our worship.
"O mankind! You are the ones in need of Allah. Allah is free of need, and Glorious". [35:15]

Believers know that Allah is their Creator, Sustainer and Protector.

Allah says, **"And if you ever tried to add up all of Allah's favours, you would never be able to count them all."** [16:18]

Allah has given us freedom to choose:
"There is no (permission) to force (anyone into following this) way of life. The truth stands clear from error." [2:256]

We do have a choice: Allah's Way or the wrong way! Those with knowledge of Allah will chose His Way, Allah Willing.

"Knowledge must lead to action. Doing one act that is pleasing to Allah is better than listening to one hundred lectures about how to please Allah." [Omar Suleiman]

Allah knows best.

ISLAM IS TRUTH

Worship
ALLAH
the ONE and ONLY

"We do have a choice:
Allah's Way or the wrong way."

In The Name of Allah,
The All Merciful, The All-Compassionate

Worship Allah

**“Moses! I am Allah, The Lord
of All the Worlds.”** [The Qur’an 28:30]

Allah is The Unseen Creator.

**“No vision can comprehend Him while
His comprehension is over all vision.”**

[6:103]

*“Say: ‘Allah is the One and Only,
independent of all needs, has no child
or parents and nothing is comparable
to Him.’”* [112:1-4]

Allah warns of *“a painful punishment”*
to those who believe in man-made
doctrines about Allah. [5:73]

**“Don’t say, ‘Trinity’. Don’t do it, as that
would be best for you. Truly, Allah is
but One God. Glory be to Him! He is far
above from the need of having a son.”**

JESUS (pbuh) said:

And indeed **ALLAH** is
MY LORD & YOUR LORD.
So **WORSHIP HIM.** That is
THE STRAIGHT PATH.

[Al Qur’an 19:36]

*“Allah owns everything in the heavens
and on the earth. And Allah is All Sufficient
as a Disposer of affairs.”* [4:171]

Those who worship Allah as human,
semi-human or animal in statues and
drawings are committing a major sin.

Prophet Ibrahim (Abraham), may Allah
exalt his mention, asked the worshippers of
idols: **“Do you worship what you carve,
when Allah is the One Who created
you and what you make?”** [37:95-96]

On Judgment Day, *“They will be told:
‘Call upon your ‘partners’ for help’.
They will call upon them, but they will
get no answer. They will see the
punishment that awaits them and wish
that they had accepted guidance!”* [28:64]

Created things are temporal. They have
a beginning and an ending. Allah cannot
be of the same nature as the things He
created. If Allah cannot be temporal,
then He has to be eternal.

Allah says, **“Everything will be
destroyed except His Face.”** [28:88]
Allah is Ever-Living.

**“Whenever Allah intends a thing, He
needs only to say, ‘Be’ and it is.”** [36:82]

Scientists say the Big Bang took place
from “a point with zero volume.” In truth,
‘zero volume’ means ‘nothingness’.

**The universe has come into being
from nothingness. In other words,
the universe was created.**

**“Don’t they see how Allah
originates creation, then repeats it?
Surely it is easy for Allah.”** [29:19]

We now have Hubble’s confirmation
that the Universe is expanding.

Hubble space telescope

Fourteen centuries ago, Allah revealed,
**“We built the universe with Our power
and, indeed, We are expanding it.”**

[51:47]

Allah is actively involved in the affairs of
His Creation *all* the time. **“Every creature
in the heavens and the earth seeks
(its need) from Allah, and He is active
every moment.”** [55:29]

Only created things need rest. **The claim
that Allah rested on the seventh day
of Creation is a human innovation.**

**“We created the heavens and the earth
and all that lies between them in six
periods, and We never felt any fatigue.”**

[50:38]

Created things cannot fulfill
their needs on their own.

**“How many are the creatures that
do not carry their sustenance? It is
Allah who feeds both them and you,
and He hears and knows all things.”**

[29:60]
